Please find the following responses to the FOIA request (the information is derived from ADMITS as of 10 Aug 19):

1 - The number of Sailors testing positive for Codeine.

	FY	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019
Unique Members w/ COD Positives (IFTDTL)		164	161	215	396	322	332	307	274	227	186

2 - Codeine cases were reviewed by the Medical Review Process.

Unique Members w/ Reviewed COD Positives	164	161	215	396	322	320	290	249	180	107
--	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

3 - Summary of cases for which an alternative medical explanation was provided which resulted in a positive urinalysis without adverse effects.

There are no summaries available.

Hope this helps. Please let us know if you need additional information.
